## Work History

**Silver Needle Runway Fashion Show Director**

01/2022 to Current

**Marist Fashion** – Poughkeepsie, NY

- Third year in fashion show production class "Silver Needle Runway".
- Helping to create a solid concept through digital media as well as for in-person events such as a runway fashion show.
- Helped produce documentary, virtual show, designer interviews, promotional episodes, and lookbook.
- Working along side 35 other students to create a professional student run fashion show.
- Filmed, photographed and edited all areas of content.

**Creative Photographer & Videographer**

02/2021 to Current

**Self-employed** – New York, NY

- Produced original photographic and video content by working collaboratively with producers, designers and art specialists to facilitate multimedia productions.
- Used Adobe Premiere Pro and Adobe After Effects to edit material.
- Set up for shots according to production schedules, weather and lighting conditions and available equipment.
- Worked with musicians, brand owners, college level sports teams, and professional athletes: such as basketball player Elijah Hughes.

**Content Apprentice**

07/2023 to 08/2023

**New York Stage and Film** – Poughkeepsie

- Set up Netflix approved cinema cameras, professional lighting, and audio recording equipment.
- Filmed two live theatre performances with cinema cameras.
- Filmed 8 interview with professionals in the theatre and arts industry.

**For The Record**

01/2022 to 05/2022

**Marist Circle Newspaper** – Poughkeepsie, NY

- Worked with 30 other students to showcase 12 influential people within the Marist College community.
- Helped produce stills, film and edit interview videos for 12 people.
- **Increased representation for those who may be overlooked in society.**

**Classroom Technician**

05/2022 to Current

**Marist College** – Poughkeepsie, NY

- Upkeep of two professionally equipped production studios.
- Assist all departments around school with audio visual equipment problems.
- Rent out and maintain organization of school equipment.
- Designed and set up technology for 25 classrooms across all departments.

## Extra-curricular

- Have swam competitively at a national level for 10 years.
- Nationally ranked top 5 in Scotland for swimming in 2015.
- Captained high school team for 1 year and won 2 national silver medals against all Scottish high schools.
- Swam at college at a division 1 level for 2 years.
- Completed my duke of Edinburgh bronze challenge where myself and others my age were made to go on an overnight expedition in the Cairngorm National Park.
